**NEXTLITE**®

**Avant innovative features and benefits:**

1. Ultra slim frontplates of 4mm.
2. Clip on frontplates which conceal screws
3. Frontplates are removable for convenience when painting walls
4. Avant light switches are rated at 16AX which means no derating is necessary when used with fluorescent or inductive loads.
5. 3mm switch contact gap for increased safety
6. International standards-the products are manufactured in an ISO 9001:2000 environment and comply to British standards
7. Attractive gloss finish for aesthetic appeal and practical maintenance
8. Interchangeable coloured frontplates to suit your interior decor
9. 12 years guarantee on all electro-mechanical products (2 years for all electronic products)

**Feature benefits**

Available in white, Gold, Silver, Gun Metal, Brown Gold, Black finishes

Provide a range of products that complement the decor of the finest modern and traditional interiors.

Quality gloss finished durable impact resistant plastic front plates

Ensure that the range is durable, tarnish resistant and maintains its stylish and understated appearance.

Core range of sockets switches and ancillary products

Mean that Avant is suitable for a wide-range of applications.

**The products are manufactured in an ISO 9002 environment and comply to British / IEC.**
